

Marysville School District No. 25

Consent to Opt Out – Release of Student Directory Information

In response to the NCLB (No Child Left Behind) act and NDAA (National Defense Authorization Act) schools have been directed to release student directory information to the military. The information requested is to be used solely for military recruitment purposes. In response to this directive, parents/guardians may object to the disclosure of student directory information. This can be accomplished by completing the information below to “opt out”. Upon parent/guardian completion of this information, the privacy interests of the student can be protected and schools will not allow the release of their student’s information to the military recruiters.

Please return this form to the main office of your student’s school.

[] I hereby choose to “opt out” my student for military recruitment purposes. I grant permission to the Marysville School District to *withhold my student’s directory information* for any requests made by the military for the sole purpose of recruitment.
